

12 volt batteries for sale

12 volt batteries for sale

The Powerline battery brand name is fast becoming one of the best budget batteries on the market. With the highest power and performance at an affordable competitive price. Powerline Batteries are designed to cope with modern day power demands. Powerline provide to many applications such as; car, commercial, bike, industrial, leisure, mobility and much more!

Powerline Mobility Batteries are a suitable and reliable option for all medical mobility and equipment applications. Powerline Mobility Batteries have excellent performance and deep cycle capability thus ideal for the mobility sector.

The Powerline AGM Mobility battery range (Absorbent Glass Mat) provide exceptional more features than conventional WET lead acid batteries such as having a deeper discharge reserve and faster charging. Other benefits of AGM technology is that they require no maintenance and do not leak due to their internal glass matt design.
