12 volt jump starter pack

A portable jump starter gives you immediate energy, but if you find your car battery keeps losing power, it might be time for a replacement. We stock a massive range of car batteries, suitable for all vehicle makes and models. Take advantage of our free car check where one of our trained technicians will inspect your battery and give the rest of your car a once over too.

If you're looking for a car jump starter today, then you can shop our entire range online. You can buy online, or Click and Collect to have it delivered in store. Stick your car battery on life support with a jump starter from Halfords.

It's a powerful battery booster that doubles as a portable power source for recharging USB devices such as a smartphone. It is designed for a car, boat, motorcycle, RV and more with petrol engines up to 8L, and diesel engines up to 6L.

The rubberized EVA exterior offers protection from moisture, impact, dust, and other environmental factors, while the molded interior perfectly fits, stores, and protects its corresponding NOCO Genius UltraSafe jump starter — the GB70 (sold separately).
