

120 kw 150 kva generator

120 kw 150 kva generator

The MDG150DF4 mobile diesel generator delivers maximum performance and versatility. The turbocharged, 6-cylinder John Deere® Final Tier 4 engine is reliable and durable. Selective catalytic reduction (SCR) exhaust after-treatment limits harmful emissions and minimizes soot buildup. The aluminum, sound-attenuated enclosure provides quiet operation and is rust proof for a long-lasting, attractive appearance.

—QUALITY: 100% designed, manufactured and individually load bank tested in Europe in state-of-the-art ISO9001 facilities—INTERNATIONAL WARRANTY: Comprehensive Parts, Labor, Travel time and Travel distance coverage for up to 2 YEARS or 2500 HOURS—SOUND LEVELS: Super silent enclosure designed, tested and certified to meet and exceed North American Level 2 and European 2000/14EC Low sound level directives. Certifications available

Our patented open delta generator winding provides precise voltage control, allowing superior motor starting capability. An electronic governor maintains frequency to $\pm 0.25\%$ from no load to full load. Equipped with a Tier 4 Final John Deere diesel engine to easily meet the stringent EPA standards while providing profitable performance and reliability. It features an auto start stop that allows the generator to start from a remote location. .

The unit features an e-coat/ powder-coated, weatherproof steel housing that allows a substantially low operating noise level of 66 dB(A). A comprehensive analog control panel provides instrumentation including AC ammeter, AC voltmeter, frequency meter, AC circuit breaker, engine gauges and much more.
