

12v 120ah lithium ion battery

12v 120ah lithium ion battery

This 12V 120Ah lithium ion battery are develop to high efficiency energy output compared to lead acid batteries, the series battery can accept to 1C contiuous charge/discharge current which can make the battery full-charged in one hours. Built-in high accurate LiFePO4 production technology, which can extremely expend the cycle to 4000times@80%DOD.

This 12v 120ah battery is a LiFePO4 lithium chemistry. Which offer BMS controlled safety, long life,fast-charging performance, also the BMS embeds smart balancing algorithms that control all cell voltages in the battery, making sure they are constantly at the same voltage level, optimizing battery capacity.

Q3. Do you have any MOQ limit the 12v 120ah lithium ion battery?A. Yes, we have MOQ for mass production, it depends on the different part numbers. 1~10pcs sample order is available. Low MOQ, 1pc for sample checking is available.

Q4. How do you ship the 12v 120ah lithium ion battery and how long does it take to arrive?A. We usually ship by DHL, UPS, FedEx or TNT. It usually takes 3-5 days to arrive. Airline and sea shipping is also optional.

Q5. How to proceed with an 12v 120ah lithium ion battery order?A. Firstly let us know your requirements or application. Secondly, We quote according to your requirements or our suggestions.Thirdly customer confirms the samples and places a deposit for formal order. Fourthly We arrange the production.
