## 12v 400ah lifepo4 battery

Please take time to carefully review the manual prior to setup and operation to ensure proper use and long-lasting performance from your LiTime system. We're here to support you throughout the warranty periods.

The LiTime 12V 400Ah battery provides reliable, long-lasting energy storage. Its large 400Ah capacity makes it ideal for residential, recreational, off-grid and commercial solar applications that require clean, renewable energy solutions.

LiTime 12V 400Ah battery powers your life safely and sustainably through top EV Grade-A Lithium Iron Phosphate cells. It can be charged up to 4000+ times at 100% DOD over 10+ years of high performance.

With LiTime's upgraded 250A Battery Management System, you can trust your battery is thoroughly safeguarded. Advanced protections shield against overcharge, over-discharge, overheating(167?), overcurrent (250A) and short circuit. Advanced BMS has your battery and our environment's best interests at heart.

With LiTime 12V 400Ah LiFePO4 batteries expanded to a 4P4S battery system. Unlock a massive 81.92kWh of versatile energy and say goodbye to limitations. You can customize your power solution perfectly by combining multiple units. Have the flexibility to add more capacity whenever life demands it.

Compared with lead-acid batteries, the LiTime 12V 400Ah lithium battery simply can't be beat for ease and portability. Weighing just 86 lbs is 1/3 the weight of equivalent lead acid batteries. Power your home, cabin, RV or worksites without stressing over heavy lifting or space constraints.

The LiTime charges at 1C speed to give you continuous power. Unlike outdated lead-acid batteries with 0.1C charging speed, the LiTime accepts charges from solar, alternators, generators or other LiFePO4 batteries without constraints.

Don't have to worry about compatibility and complex power assemblies. The LiTime 12V 400Ah battery simplifies setup with a streamlined one-step solution. Just install it and watch the juice flow.

Enjoy responsive online and phone assistance from our expert technical staff. Receive helpful feedback within 24 hours to quickly resolve any issues. Batteries are shipped efficiently within 2-5 business days of order from local warehouses across the US.
