Please note, if you were an existing member of Expedia, Hotels or an account holder with Vrbo, in most instances, your account will be automatically migrated to One Key. More details on this transition can be found below.

One Key is our travel rewards programme where members can enjoy Member Prices and earn and use OneKeyCash<sup>®</sup> on eligible bookings. OneKeyCash is simple,  $\$1$  in OneKeyCash gives you a  $\$1$  discount on eligible travel. As long as you're a member--and sign in before you make any bookings--you'll earn rewards and collect trip elements across all eligible travel bookings.

Here's what you earn: Members will receive 2% in OneKeyCash per  $\$$  spent<sup>1</sup> on eligible hotels, holiday rentals, activities, packages, car hire and cruises, and 0.2% in OneKeyCash per  $\$$  spent on eligible flights. You can earn more on stays on eligible VIP Access Properties as you move up the tiers. And don't forget, you earn OneKeyCash on top of most airline miles and credit card rewards.

Planning a family trip? The account holder who makes the booking earns the OneKeyCash, no matter which travellers are named in the booking. All OneKeyCash, including those from return flights for all family members, will be deposited in your One Key account. No need to set up accounts for your family members or children to collect rewards.

<sup>1</sup>Excluding amounts spent on taxes and fees. OneKeyCash is not redeemable for cash and can only be used to discount eligible travel on Expedia, Hotels and Vrbo. Terms, eligibility requirements and exclusions apply, see here

OneKeyCash won't expire as long as you have made an eligible booking or redeemed a redemption reward through a participating brand on your account at least once in the preceding eighteen (18) months.

The more trip elements you book, the more status you earn. Trip elements are the different parts of a trip--One Key takes every trip element (worth  $\$20$  or more, excluding taxes and fees) into account and rewards you for it. Trip elements include:
