

228ah solar battery

228ah solar battery

On top of brand new LFP cells, our advanced BMS, and 300A Fuse, the HAWK Max 2 comes with an additional 600 Wh and 26 Ah of capacity, a sleek stainless steel casing, and an internal fire extinguisher. Whether you're prepping your solar home or cabin to go off-grid, looking to stay prepared in case of emergencies, or outfitting your camper or RV with a brand new power system, the HAWK Max 2 brings you the capacity and efficiency you need as well as the peace of mind to power your applications when you need to.

With a compact, portable design and the ability to connect several units in parallel for a huge power system, this is one of our most versatile 24V solutions. You'll be able to provide more than twice the power in the same amount of space while lasting 4 times longer than the lead acid equivalent, all with ZERO maintenance! So if you're looking for a battery that will not only meet your power needs and exceed your expectations, but look great doing it, the 24V HAWK Max 2 is the battery for you.

Designed for 24V Applications: LEAD-ACID REPLACEMENT? INTENSE HEAT AND COLD? EMERGENCY POWER? OFF-GRID POWER? SOLAR SYSTEMS? MOBILE POWER? CAMPER VANS? FORKLIFTS? RV's

Brand new Grade A quality from professional manufacturer? Test voltage & resistance before packaging to ensure battery consistency? 100% Eco-friendly, will not cause pollution pressure to the environment? Cost effective options for DIYers and RVs to replace old AGM systems

1. One Cell will come with one set busbar, bolt, and washer for free. (e.g. 4 Cells will come with 4 pcs(busbars + bolts + washers) .2. Each cell shall be used under the strict monitor, control, and protection by the BMS.3. Before the first use, always charge the cells to full voltage.4. We will match (capacity, voltage, resistance) all cells before delivery.5. The battery is suitable for DIY lovers with experience.
