

3 phase power inverter

3 phase power inverter

Explore at IACS the full range of ACS150 drives from ABB with an integrated user panel, potentiometer and a variety of features such as pre-defined connection macros, making drive selection and configuration easy.

The Huawei SUN2000 36KTL-M3 3 Phase Power Inverter is a high efficiency, high reliability option in the three phase string inverter market. It has a peak efficiency of 98.7% and a EU efficiency of 98.4%, meaning it maintains a high efficiency over its entire loading range. The 36KTL also has built-in type II surge arresters for DC and AC, as well as a safe fuse-free design that reduces maintenance requirements. Lastly, the 36KTL has 4 built-in MPPT trackers to allow greater flexibility in string layout and ensures more can be obtained from any array.

We also offer Next Working Day Delivery on all orders received before 2pm. Once again, all orders placed after 2pm on a Friday and at the weekend will be processed on Monday and then sent out for Next Working Day Delivery.
