

# 70 ah lithium battery

## 70 ah lithium battery

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

Consider MANLY Battery for a dependable and high-performance 12V lithium battery. The 12V 70Ah battery is appropriate for use in energy storage, telecom, base station, and similar applications. We provide a 5-year warranty, waterproof, multiple certifications, and customized battery service.

1. Model Number: MLP1270 2. Nominal Capacity: 70Ah 3. Nominal Voltage: 12.8V 4. MAX Charge Voltage: 14.6V 5. MAX Charge Current: 70A(Customization) 6. Customization Support: Including voltage, capacity, current, size, appearance, etc.

MANLY Battery offers a full series of LiFePO4 batteries for deep cycle applications. Our 12V 70Ah Battery delivers exceptional performance in Start-Stop & Micro-Hybrid vehicle applications. With advanced chemistry and system design, it offers outstanding cycle life, high charge acceptance, and up to 60% weight reduction compared to lead acid batteries.

Featuring a lifespan of over 8000 cycles, each battery provides short circuit, overcharge, and over-discharge protection. The balanced circuit ensures optimal performance. Moreover, you can connect multiple series in parallel, expanding the possibilities for your power needs.
