Whether you are travelling long distances by private taxi or are looking for budget-friendly transport around your city, our listings offer a range of options, including 7-seater taxis.

To book a Minicab taxi, simply enter your pickup location and chosen destination in the taxi finder tool and we'll provide you with a list of quotes from Minicab taxi companies, allowing you to make your choice based on price, eco-friendliness or car type.

You can book up to an 8-seater taxi to and from the city, making it the perfect choice of transport if you're travelling as a larger group. In fact, it often works out cheaper than paying for individual public transport tickets - and you get a private car all to yourself; no more standing up on the bus or fighting for seats on the train. Whether you are travelling alone or in a group, minicabit aims to provide efficient travel at the best price. Whatever your specific requirements are, use minicabit to make sure that you are getting the best value for your money.

All minicabit taxis are licensed and can be pre booked for your future trips. Get to your destination faster and cheaper by using the Minicabit taxi app. Download the minicabit app on the Apple App Store and Google Play Store.

By adding a request in the "Additional information" field, you can also receive a mini-cab with a child seat or wheelchair access. All airport taxis & mini-cabs, as well as airport transfers in the uk, booked with minicabit include the airport's "meet and greet" charges, so your taxi driver meets you in arrivals. If you have any more questions, just Contact Us.

Use the minicabit website or app to pre-book minicabit taxis! You can book a taxi up to 12 months in advance, or the same day as your trip. Simply add the date and time you will need a taxi and choose the quote that works for you to book a taxi in advance.

At minicabit cancelling your booking is quick and easy to do. Cancellations will only be processed if you do so via your booking on minicabit, not by just informing your Cab Operator.

For a full refund, you must cancel within your cancellation cut-off period, which is indicated in your booking confirmation email (shown below). As per our terms and conditions, any cancellation received after the cancellation cut-off time, will not be entitled to any refund. For more information please [click here](#).

If you require a child seat, you must inform your Cab provider once your booking is made. Please note that child seats are subject to availability and are not included in the price for the trip.

Once you have made your booking, we strongly recommend communicating with the Cab Provider to confirm whether the driver is willing to accept pets. You'll find their details on the confirmation email we send you.

Yes, there are many minicabit cabs and taxis that offer wheelchair access. For peace of mind, you may want to book a minicabit taxi in advance to avoid long waiting times. When choosing a taxi from minicabit, please select a quote with wheelchair-accessible taxis. You can also book your taxi online in advance using minicabit.
