Amsterdam solar storage

Join the 'Solarplaza Summit Energy Storage The Netherlands' on 29 March 2022 in Amsterdam to connect with local & European players from both the energy storage field and the PV industry. Through interactive panel discussions, inspiring keynotes, and endless networking opportunities, this event will empower you to take charge of your ambitions in the Dutch RE market.

On 29 February & 1 March 2024, FMO and Solarplaza will host the 'Future of Energy' summit in Amsterdam, uniting a global mix of top project developers, financial institutions and investors, service providers, and asset owners to tackle the strategic challenges of accelerating the renewable energy transition in emerging markets.

And don't worry, you are in control of what you receive at any given time via our email preference center.
