

## Battle born 200ah

### Battle born 200ah

With 12V GC2 deep cycle batteries and supporting Victron components, these Battle Born Energy Van GC2 Kits are perfect for your Van or Overland conversion. With the ability to charge from solar, shore, and directly from your rig's alternator, you'll never have to worry about power. And to sweeten the deal, all your components come pre-programmed too.

Monitor, configure, manage, and update your Victron Energy equipment with the VictronConnect App. Victron Smart products connect to the app through Bluetooth, USB, WiFi, LAN, or remotely via the internet.

With 200Ah of 12V GC2 Battle Born Batteries and awesome Victron components, this kit is perfect for your van or overland conversion. Part of our new line of Victron and GC2 Battle Born Batteries, the Van 200Ah kit is a great starter kit for your weekend trips.

With the ability to charge from shore, solar, and directly from your van's alternator, you'll always have power when you need it! The Victron solar charge controller is rated for up to 700w making it a great companion to this solar-ready bundle. Inverters R US will also pre-program this system for you before it ships!
