Start your holiday season right when you upgrade your vehicle with an easily-installed, all-in-one kit, and get free shipping on any order of 4 or more batteries, or any order over \$9000!

Longer Life, No Maintenance, and Faster Charging are just a few of the advantages lithium has over lead-acid batteries. Making it an exceptional return on your investment for years to come.

BigBattery is your one-stop shop for a wide assortment of large lithium battery packs. Our batteries power everything, including homes, RVs, campers, golf carts, forklifts, and other machinery. We're proud to be the largest supplier of new cells batteries in the US. Our core purpose here at BigBattery is to promote the mass adoption of renewable energy solutions.

There are many reasons why lithium battery packs are in a class of their own. LiFePO₄ batteries can be recharged hundreds of times without the need for maintenance. They also tend to have a higher energy density and voltage capacity with a lower discharge rate than their competitors. This makes for better power and efficiency, as a single cell has longer charge retention than other battery types. BigBattery offers the best large lithium battery packs for sale online.

ShopSolar is the #1 online source for solar power solutions. With over 50,000+ happy customers, we're on a mission to make solar simple, transparent and affordable.
