

Bosch battery chart

For some applications you appreciate low weight, and sometimes you need extra power and stamina. You can find the appropriate power and runtime for your area of use here. All batteries from the POWER FOR ALL SYSTEM are 100% compatible! *

The latest cell technology offers 60% greater performance and runtime compared to an 18 V 2.5 Ah rechargeable battery and the same power as an 18 V 4.0 Ah rechargeable battery - all whilst being significantly smaller and lighter. Supports you during particularly demanding projects and longer tasks such as sanding or cutting the hedge.

What's more, high-performance cells and heat-dissipating materials extend the rechargeable battery's service life. It is compatible with all Bosch 18 V power tools and chargers for your home and garden as well as tools from our Alliance partners.

For more than 130 years, the name "Bosch" stands for future-oriented technology and groundbreaking innovations. As a pioneer in battery technology we're aiming to improve the quality of people's lives. Thus we're offering do-it-yourselfers and hobby gardeners innovative solutions for DIY, home and garden since 1969.

With over 30 million Bosch 18V POWER FOR ALL batteries in the market, we are consistently driving the expansion of cordless freedom in the area of DIY, home and garden. Some 3 million batteries are manufactured annually in Bosch owned factories.

In the POWER FOR ALL 18V system, one battery works for all tools. Since 2007, the battery has been fully forwards- and backwards-compatible with all green Bosch tools in the 18 V class.* One hundred tools from 10 brands can now be operated with the same rechargeable battery. The POWER FOR ALL ALLIANCE includes tools from the brands Gardena, Bosch Home Appliances, Husqvarna, GLORIA home and garden tools, Wagner, Rapid, Steinel, K?bler Workwear and PerfectPro.

Thanks to the replaceable battery, the runtime is extended in just one step. Simply insert the 18V POWER FOR ALL battery into the device and you're ready to go. It couldn't be simpler and more flexible.

One and the same 18V battery powers around 100 Bosch home, garden and household tools such as cordless screwdrivers, jigsaws, hedgetrimmers, lawnmowers, outdoor cleaners, garden pumps, household vacuum cleaners and many more.
