Keep your family fully powered every day with long-lasting Energizer Recharge Universal Rechargeable Batteries. These rechargeable batteries help you save money and create less waste over time, reducing environmental impact. Each Energizer Recharge Universal battery can be charged and used hundreds of times. Don't feel like using your charged-up batteries right away? The charge lasts up to one year in storage. Simply pair up with any Energizer Recharge Charger to power up your everyday devices like toys, portable radios, and flashlights and keep the power going.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"I don't know the tech on this, but when you hold it in your hand it feels "light" as in maybe they have size C batteries inside with an air gap to..." Read more
