Now portable power and lightweight design are yours with the Champion 2200-watt inverter generator. Rely on the 79cc engine and enjoy a quiet 58 dBA for up to 10.5 hours of run time (at 25% load).

True Sine Wave inverter technology makes this generator ideal for sensitive electronics such as computers, laptops and TV. Perfect for your next camping trip or powering small household items like fridges/freezers, power tools, lighting units & garden equipment. This inverter has parallel capability allowing you to pair up with other Champion Inverters using an optional Parallel Kit.

SolaX is proud to launch the eagerly anticipated third generation of their market-leading solar battery storage product, the Hybrid inverter. The X-Hybrid battery storage inverter is compatible with the leading lithium-ion battery solutions available on the market today making it the most popular energy storage solution.
