

Cheapest automatic backup generator

Cheapest automatic backup generator

This Generac Guardian 24kW Air-Cooled Home Standby Generator can provide whole-house backup power with the included 200 Amp Automatic Transfer Switch. The Generac G-Force Engine efficiently runs on natural gas or liquid propane and automatically starts within seconds of a power outage.

Generac's 7.5 kW home standby generator is the most affordable, automatic alternative to portable backup power. Significantly quieter than a portable generator, it protects the home's most essential circuits, like refrigerators, well pumps and select appliances, without having to manually set up during inclement weather, refuel, or run ...

5-year limited warranty for automatic standby generators; True power technology delivers best-in-class power quality with less than 5% total harmonic distortion for clean, smooth operation of sensitive electronics and appliances; Liquid propane 26000kW / natural gas 22500kW

Generac 7291 26kW Air Cooled Guardian Series Home Standby Generator with 200-Amp Transfer Switch - Comprehensive Protection - Smart Controls - Versatile Power - Wi-Fi Connectivity - Bisque. Visit the Generac Store. 4.1 376 ratings.

Third-party certified to NFPA standards to be installed as close as 18-inches from the home's exterior wall, provided it is located away from doors, windows, and fresh-air intakes, and unless otherwise directed by local codes

True Power Technology provides best-in-class power quality with less than 5 percent total harmonic distortion for clean, smooth operation of your sensitive electronics and appliances
