Energy storage solutions azerbaijan

As COP29 will unfold in Azerbaijan from 11 to 22 November this year, the focus on renewable energy and sustainability has never been more critical. One company at the forefront of ...

Thompson Meng, Vice President of Sungrow's PV and Storage BG, commented: "Our efforts in Azerbaijan embody Sungrow's commitment to providing innovative and scalable renewable energy solutions. As COP29 will take place in the country, we are delighted to be supporting the nation's path to a more sustainable future, perfectly aligned with global climate objectives."

Sungrow's influence extends globally. As the largest supplier of solar and energy storage solutions worldwide, the company is committed to advancing the global energy transition, its energy solutions enabling countries like Azerbaijan to meet their renewable energy targets and reduce their carbon footprint.

In addition to its technological leadership, Sungrow is also recognized for its strong commitment to Environmental, Social and Governance (ESG) standards, the company's recent AA rating from MSCI (Morgan Stanley Capital International) highlighting its excellent performance in sustainability.

W¨rtsil¨ is a global leader in innovative technologies and lifecycle solutions for the marine and energy markets. We emphasise innovation in sustainable technology and services to help our customers continuously improve their environmental and economic performance.
