Folding solar panels 100w kit

Alpha Batteries is your trusted source for high-performance car, commercial, and leisure batteries. Whether you're powering a daily commute, a fleet of vehicles, or your next outdoor adventure, we offer a wide range of reliable and long-lasting battery solutions to keep you moving. With top brands, expert advice, and fast delivery, we're dedicated to providing the battery solutions you need to drive with confidence.

Whether you're looking to reduce your carbon footprint, harness reliable energy when on the road, or power your remote property, Alpha Batteries is your premier destination for cutting-edge solar and off-grid solutions. Our expertly curated products are designed to deliver reliable, sustainable energy with a comprehensive range of solar panels, batteries, and complete off-grid systems tailored to your unique needs.

Alpha Batteries have you covered with a huge range of Victron Energy products, renowned for their reliability and performance in solar power and off-grid solutions. Whether you're looking for advanced inverters, charge controllers, or battery monitors, Victron Energy offers innovative, high-quality products designed to work seamlessly across a wide variety of off-grid projects.

At Alpha Batteries we're your go-to source for premium battery chargers, inverters and other accessories. Whether you need to keep your car battery in top condition, maintain power for your commercial fleet, or ensure your leisure batteries are ready for your next adventure, with a wide selection of battery accessories and expert advice, we provide the support you need to stay charged and ready for anything.

We're your expert partner for professional solar panel installation and custom system design. Whether you're looking to power your camper-van or off-grid retreat, our tailored solar solutions are designed to maximise efficiency and our experienced team handles every step of the process, from assessing your energy needs and designing a personalised system to expert installation.

Alpha Batteries is one of the UK's largest DC equipment suppliers and our specialist technicians have a wealth of experience from simple solar panel installs to complex full system design and off grid requirements.

Dad was a battery man through and through having been involved in the industry since the 1970's. Despite an entrepreneurial exit from the industry in the 1990's Dad returned, starting Alpha Batteries from home.
