

# Freedom Caravans

## Freedom Caravans

Freedom Caravans are renowned for being exceptionally watertight. Every shell is made of 6 fibreglass panels which are then clamped together and every joint is then fibre glassed to create a one-piece shell. This is the optimum method of ensuring that the body of the caravan remains waterproof for as long as possible.

It's all in the name. When you want to experience the Freedom of caravanning without worrying about what your car can tow, you can rely on the UK's favourite lightweight caravans. With unladen weights from 580kg to 680kg and MTPLM's of 750kgs (850kg - optional upgrade), you can rely on a Freedom to be your travelling companion.

Every Freedom model features Tinted Windows with Double Glazing, LED Interior & Exterior Lighting, AKS-3004 Stabiliser, Gas Cooking Hob and a 3-Way Fridge with an Icebox. As you move up the range you will find Blown Air Heating, Skylight, Hot & Cold Water, Oven, Bathroom with Shower, Toilet & Sink; all standard on select Freedom models.

Everyone's tastes are different, that's why we offer a comprehensive list of optional extras for your Freedom to enhance your adventures. From the popular Flare package to power sockets in the places that you want them so that you get a Freedom exactly the way you want it.

We have 3 friendly dealerships who distribute Freedoms through the mainland U.K. If you're looking at buying a Freedom, new or used, would like your Freedom serviced or you simply want some advice, be sure to give them a call or a visit and the staff will be more than happy to help.

Here is our range of award winning lightweight caravans. Almost every model in our range has won the Caravans - 750kg & under category in the Caravan Clubs Lightweight Trailer Awards, with a Freedom winning every year since 2012.

Freedoms are the U.K.'s Favourite Lightweight Caravans, whether it's a weekend in the Lake District or a year exploring mainland Europe, our caravans have been accompanying adventurers on their travels for over 30 years.

A Freedom is your longterm companion, not a holiday romance. The complete fibreglass construction of a Freedom's shell leaves you with a body that has no unnecessary gaps or joins, only the essentials like a door... and windows.

FREEDOM CARAVANS LIMITED are a credit broker and not a lender. We are Authorised and Regulated by the Financial Conduct Authority. FCA No: 673577 Finance is Subject to status. Other offers may be available but cannot be used in conjunction with this offer. We work with a number of carefully selected credit
