

Freedom won lite home 10 8 lifepo4 battery n

Freedom won lite home 10 8 lifepo4 battery n

This Freedom Won Lite Home LiFePO4 battery is the perfect high quality battery for all your residential and industrial solar solutions. The range is from 5KWh to 30KWh batteries.

A fastest growing Solar company in South Africa that provides the best in class energy transition solutions. We provide customized products for residential / commercial / utility-scale Solar PV systems.

This product must be installed by a qualified electrician/technician. All installations must adhere to local wiring regulations and standards. Powerforum Store (PTY) LTD will not be held liable for any product malfunctions as a result of incorrectly installed systems.

Freedom Won is a local solar battery manufacturer based in South Africa. Its PV storage products are designed specifically for the Southern African market and are both reliable and long-lasting.

The company's Lite battery range comprises small-scale residential solutions for homes in more rural locations, plus high-performance commercial batteries for businesses or industrial sites requiring energy storage.
