

# Halfords car battery replacement

## Halfords car battery replacement

There are over 1600 mechanics and garages in the network and each has been vetted on their work history, qualifications and insurance. In addition, we ask all customers to review their mechanic so we can remove any unprofessional mechanics from the network and ensure that the standard remains high.

In almost all cases, no. Collection & delivery or a mobile mechanic service is included in your quote for Repairs, Diagnostics, and Servicing & MOTs. However, if your car isn't drivable and the work can't be completed by a mobile mechanic, some garages may charge a recovery fee. If this happens, our customer service team will inform you in advance, and you're under no obligation to accept the additional cost.

No. We don't offer a labour only service where you provide your own parts. This is because all mechanics operating in the network must offer a 12-month warranty on their repairs, and so must be able to guarantee the quality and suitability of all parts supplied.
