House clearance in my area

In our experience with cleaning out estates, one thing has become clear -- it's tough clearing out a loved one's home. During such a difficult and sensitive time, you want a company that will be punctual, patient, and respectful to help ease the process. You can count on our professionals at 1-800-GOT-JUNK? to handle your estate clean out needs while providing the utmost in customer care.

While estate cleanouts are never easy, there are some tips to help manage the stressful task. If you are facing a situation where you need real estate cleanout services, follow these steps to prepare:

1-800-GOT-JUNK? is the world's largest and most trusted junk removal company and we have been providing exceptional foreclosure and estate cleanout services since 1989. We know how difficult it can be to clean out a loved one's home. Let us take care of the heavy lifting for you, we're happy to help.

Our estate clean out services can remove everything from small boxes to large furniture removal -- anything that our friendly professionals can lift! Simply point us to your unwanted belongings, and we'll take them away. For a complete list, check out what we take.

Prepare for estate cleaning services by first securing all crucial financial documents and personal belongings. Organize items you wish to keep, donate, or discard, and set aside items with sentimental value for family members. Getting organized from the start can help our team finish the job quickly.

Ultimately, it depends. It's not always necessary for you to be there during estate cleanout services but in most cases, you should be. For example, if you're an executor for a deceased loved one, you may need to oversee the initial and final phases. Our team will manage everything from start to finish, allowing you to focus on other priorities.

Absolutely! Our estate clean up services are committed to eco-friendly practices, aiming to donate or recycle anything that meets the standards of the charity or facility. Learn more about our environmental commitment.

Yes. In fact, we prioritize it! When you're cleaning out an estate, we understand that you have more important business than recycling and donating. Our estate cleanout services include deciding which items can be recycled or donated, and we coordinate with local organizations to help those in need.
