BMI has a 40- year track record of supporting investors, risk managers and strategists. We help them identify opportunities and quantify risks in markets where reliable information is hard to find and difficult to interpret. This includes in-depth insight and data, and high frequency geopolitical risk indicators.

CreditSights enables credit market participants to manage financial risk better with independent credit research, global market insights, covenant analysis, and news, distilling market noise into actionable investment ideas.

Fitch Learning develops the future leaders of the financial services industry and drives collective business performance. We do this by utilizing a best-in-class technology platform and blended learning solutions that maintain the personal element of development.

We help credit, risk, and investment professionals make better-informed decisions and meet regulatory requirements, within and beyond the rated universe. We do this by providing differentiated perspectives and in-depth expertise through Fitch Credit Ratings, Fitch Ratings Credit Research, Fundamental Financial Data, and innovative datasets, all backed by transparent methodologies, accessible analysts, and workflow-enhancing analytical tools.

Sustainable Fitch delivers human-powered sustainability Ratings, Scores & Opinions, as well as Data & Research to serve the needs of fixed income investors. Our specialists uniquely deconstruct the complex issues of E, S, and G globally.
