Kitchens amp Beyond Ltd

Our journey began with the supply of high-quality Italian kitchens from Snaidero, and together, we have successfully served and satisfied clients in both residential and commercial sectors. As we expanded, we introduced a wide range of premium products, including sanitaryware from Kohler and Bagnodesign, wardrobes from Novamobili, porcelain tiles from Caesar and Varmora, and vanities from Ideagroup and Azzura.

Our attention to detail, empathy for our clients, and focus on functionality result in stunning, impressive living spaces. As a market leader, we provide the information you need and the products you desire, making us your one-stop shop for all interior needs.

BA is proud to be one of the UK's leading manufacturers of factory-built kitchens and bedrooms, bespoke, made-to-measure doors and one of the largest ranges of matching accessories in the market place today.

BA's knowledge and passion for kitchens, bedrooms and components enables our customers to keep the promises they make to their clients. Every product is crafted with pride by our skilled workforce in our UK factories to provide years of enjoyment.

Continuous investment in sustainable manufacturing, design and innovation ensures that our customers can be confident of always staying ahead. Our dedicated, agile teams deliver on every front, every time.

Born out of a desire to offer better products and service in the market, BA was established in 1990 and has gone from strength to strength since. BA operates from three state of the art factories in Cookstown, Co. Tyrone and two in Yorkshire at Rotherham and Doncaster.
