LMI HOLDINGS LIMITED

AFRICA'S LARGEST SINGLE ROOFTOP SOLAR PROJECT, owned by Helios Solar Company, a subsidiary of LMI Holdings, a privately owned Ghanaian conglomerate. The project is situated in the Tema Free Zone Enclave and will supply 16.82 megawatts of energy to Enclave Power Company, another subsidiary of LMI Holdings. This significant achievement by Helios Solar underscores its [&hellip;]

Kojo Aduhene is the Chairman and Chief Executive Officer of LMI Holdings with 27 years' post qualification experience in the construction industry. He holds a B.Sc. Degree in Civil Engineering from Leeds University. After his university education, he worked on a number of prestigious projects in the UK, including the Channel Tunnel, which links mainland UK to continental Europe and the Docklands, a hugely successful urban rejuvenation development.

He returned to Ghana in 1991 to set up his own company, John Murphy Construction, which has developed into what can arguably be described as one of the largest Civil Engineering, Property and Utility Conglomerates in Ghana- LMI Holdings. His passion is teaching, and his driving ambition is to make AFRICA RISING a reality.

She is a certified strategic auditor (CSA) & master professional auditor (MPA). She is also a member and fellow of the Global Academy of Finance and Management (GAFM) and an affiliate member of the Chartered Institute of Procurement and Supply Chain.
