

LONGi Solar 425WP Full Black Solar PV Module LR5-54HTB-425M

LONGi Solar 425WP Full Black Solar PV Module LR5-54HTB-425M

If you're looking to install a solar panel on your property, LONGi Solar is the way forward. Striving for a greener future, LONGi Solar's ultra-high-efficiency HPBC cell structure sets a new standard for PV module solar panel technology.

Offering a reliable and affordable solar solution, LONGi Solar creates solar panels that will benefit customers and the local economy with its advantages of higher power, lower degradation, and higher reliability. LONGi Solar's high-efficiency PV modules are used globally.

If you change your mind about the product when you receive it you can notify us any time within 30 days and return it for a full refund at your own cost. Any refunds will be made within 30 days of receiving your returned item. You are expected to cover the cost to return the item and your initial delivery charge will not be refunded.
