LUQMAN PETROLEUM LIMITED

We understand that we operate in an environment with other stakeholders. This is why we pride ourselves in involvement in the community. Luqman Petroleum assists bright needy students by offering them scholarships to support them through high school and university education. Our staff also visit homes for the aged and children homes to interact and donate clothing and food items. We also enjoy taking part in charity walks so as to make a difference in our community.

At Speedy Fuels, we offer you the most competitive prices and some of the longest payment terms in the industry. With supply depots across the country, we can deliver to any location within a few hours!

If your industry isn't listed below, don't worry. We have customers in manner of different industries, many of which are not listed. The list below is just to give you some idea about the vast range of business sectors we currently supply fuels and lubricants to.

We offer deliveries from a 205-litre barrel, right up to a 36,000-litre tanker. With 96% of our orders delivered the next working day, we are very pleased of the high levels of service we deliver to our customers. So please give us the chance to demonstrate this to you.

45 Gallon Drums / 205 Litre Barrels- All of the fuels and oils supplied and delivered in our 45-gallon drums meet UN regulations and are perfect for the safe storage of fuels and oils.
