Leoch model lpc12 100 battery

All product and company names are trademarks or registered trademarks of their respective holders. Use of such names/marks by UPS Battery Center does not imply any affiliation with or endorsement by their respective owners. Use of third party part or model numbers are solely for identification purposes only. UPS Battery Center is in no way implying that any of its products are original equipment manufacturer replacement batteries. Specifications are subject to change without notice.

Leoch LPC series are deep cycle batteries. These batteries may be stored for up to 6 months 0 0 at 25 C(77 F) and then a freshening charge is required. For higher temperatures the time interval will be shorter.

All we do is sell replacement batteries, we are very good at that! Manufacturer's are not able to process smaller orders quickly and efficiently. BatteryClerk specializes in processing any size order accurately and fast.

All AJC Battery orders placed Monday-Friday leave our warehouse the same day if placed before 2PM EST. If your order is placed Friday after 2PM through Sunday, your order will be shipped out Monday morning.

Please enter the brand and model number of your device or battery you need to replace in the search bar at the top of this page. As long as the voltage, terminals and dimensions match, then you will be able to use this as a compatible battery replacement option.
