As a trusted voice in the aviation community, we can help raise your profile and ensure you are seen by the audience that really matters to you. Our offers are customizable to your needs, whether on our websites, our events or in our manuals.

As a trusted voice in the aviation community, we can help raise your profile and ensure you are seen by the audience that really matters to you. Our offers are customizable to your needs, whether on our websites, our events or in our manuals.

Though a practical and efficient way to store energy, batteries, if not properly designed, tested and manufactured can fail and catch fire. In addition, the stored energy and flammable electrolyte in the battery means that they must be prepared properly for shipping to reduce the potential risk to the transport system.

To help address this, we've put together the BSR; a manual with all the information manufacturers, retailers, wholesalers, freight forwarders and others in the supply chain need to ensure compliance when shipping batteries.

The BSR is available in English in print and digital formats. All versions are updated annually. Digital products come with automatic updates for the year and a search function that makes finding up-to-date information easy. And, they're cheaper.

Making a mistake with marking, labelling or packaging products with batteries can at best cause delays. At worst, the battery could fail or short circuit causing a fire. The BSR covers all aspects of the shipping process from packaging requirements, labelling, marking and what to do if something goes wrong en route.

Our LIVE (Live Interactive Virtual Education) virtual classroom courses are centered on personal needs and give you the freedom to self-prepare. Live interactive classes provide guided learning from expert instructors and collaboration with your peers. This is combined with learning resources and group work, all in an online setting.

2 daily LIVE sessions: 9:00-11:00 & 11:30-13:30 Miami/Montreal 15:00-17:00 & 17:30-19:30 Geneva/Paris 18:00-20:00 & 20:30-22:30 Dubai 14:00-16:00 & 16:30-18:30 UTC Please note that these timings may be subject to change.

3 daily LIVE sessions: 9:00-10:30 & 11:00-12:30 & 13:30-15:00 Miami/Montreal 15:00-16:30 & 17:00-18:30 & 19:30-21:00 Geneva/Paris 18:00-19:30 & 20:00-21:30 & 22:30-0:00 Dubai 14:00-15:30 & 16:00-17:30 & 18:30-20:00 UTC Please note that these timings may be subject to change.
