

Lithium battery powered home generator

Lithium battery powered home generator

We offer scalable and versatile emergency backup power options including portable power stations you can carry from room to room or take on camping trips. This is a great solution for renters and folks who want to use backup power at home and away. Power electronic devices, charge phones, run your refrigerator, connect to the Wi-Fi, power lights and more--even when grid power goes down.

Interested in a more robust backup power solution? Our Haven 10 ecosystem provides convenient, reliable emergency power and the ability to back up as many as 10 essential circuits in your home with automatic power switching. This system must be professionally installed and is a great option for homeowners.

Goal Zero was born from a belief that lack of resources should never limit human potential. We are inspired by a passion for adventure, respect for the planet, and a humanitarian heart and we believe we are inextricably connected to the communities, environment, and society to which we belong.

Equipped with 6,071 Watt Hours and seven versatile ports for power-hungry devices and appliances, the Yeti 6000X can power essential home circuits, RVs, trailers, work sites, and more.

GOODBYE GAS GENERATOR. HELLO YETI X. With a lithium-ion battery at its core, the Goal Zero Yeti X equips you with safe, clean, portable power for camping, tailgating, off-grid events, workshops, and emergency home backup.

TAKE YOUR WALL OUTLET ANYWHERE Increased 2000W AC (3500W Surge) inverter allows you to run power-hungry devices and appliances with confidence. Our new industry-leading inverter can handle surges from power tools, medical devices, and home appliances, including full-size refrigerators.

VERSATILE PORT OPTIONSPower a wide range of devices with seven different port options including fast-charging 60W USB-C Power Delivery, multiple USB-A ports, regulated 12V, and two 120V AC ports.
