

Lithium trolling motor battery 24v

Lithium trolling motor battery 24v

Built tough, this 24-volt lithium trolling motor battery package gives you the power to fish from morning to night. Engineered with Lithium Iron Phosphate (LiFePo4) technology this battery has twice the power, half the weight, and lasts 4 times longer than a sealed lead acid battery - providing exceptional lifetime value. Backed up by a best in class 10-year warranty. 100 Amp hours (Ah) of capacity is optimal for larger 24V trolling motors. Ideal for deep cycle applications in marine environments where you need lots of power for a long time.

Lithium batteries are electrochemical systems, they store electricity as a chemical. Therefore, their performance is affected by ambient temperature. Operating your battery below 32°F(0°C) can cause metal deposition at the negative electrode, leading to a short circuit. Above 140°F(60°C), other parasitic reactions are promoted leading to further degradation.

The 24V 100 Ah Lithium Battery – built tough, this 24-volt lithium trolling motor battery package gives you the power to fish from morning to night. Engineered with Lithium Iron Phosphate (LiFePo4) technology this battery has twice the power, half the weight, and lasts 4 times longer than a sealed lead acid battery - providing exceptional lifetime value. Backed up by a best in class 10-year warranty. 100 Amp hours (Ah) of capacity is optimal for larger 24V trolling motors. Ideal for deep cycle applications in marine environments where you need lots of power for a long time.

We feature offers with an Add to Cart button when an offer meets our high standards for: Quality Price, Reliable delivery option, and Seller who offers good customer service "No featured offers available" means no offers currently meet all of these expectations. Select See All Buying Options to shop available offers.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.
