MOXIE MARKETING GROUP LIMITED

Brands give focus and direction; brands empathize, educate inspire and support. We love to partner brands in their efforts to grow and actualize &#8211; in this increasingly noisy, chaotic and hyper-connected world.

Everything you need to showcase your business and website to the world. With fast & secure website hosting, we can provide your chosen domain name, reliable hosting and as many emails as you need.

Our hosting solution is completely scaleable so you only pay for what you need. You get the best possible hardware and software for whatever size of website. You just pay for more if your site gets more visitors.

Our WordPress hosting platform is specifically built for high performance. Over the years we have managed to perfect an environment suitable for the best performance without losing any features and functions needed for your website.

We include a custom caching engine that has been specifically built to increase website performance along with CDN services to help compress and deliver files to your visitors at lightening speeds.

We take active measures to stop any attacks or malicious intent in its tracks. Providing your website with continuous monitoring for uptime, DDoS attack detection, software-based restrictions and hardware firewalls.
