

PU207 Powerline UPS Battery Pack

PU207 Powerline UPS Battery Pack

The Powerline battery brand name is fast becoming one of the best budget batteries on the market. With the highest power and performance at an affordable competitive price. Powerline Batteries are designed to cope with modern day power demands. Powerline provide to many applications such as; car, commercial, bike, UPS, industrial, leisure, mobility and much more!

The Powerline AGM UPS battery range (Absorbent Glass Mat) provide exceptional more features than conventional WET lead acid batteries such as having a deeper discharge reserve and faster charging. Other benefits of AGM technology is that they require no maintenance and do not leak due to their internal glass matt design. Powerline batteries specifically benefit from budget friendly prices!

An Uninterruptible Power Supply (UPS) is crucial to the continued operation of essential equipment like medical, data and IT equipment for when mains power fails. Designed as a standby, backup system integral for 24/7 reliability. Powerline UPS batteries are genuine OEM specified batteries for UPS battery back up power systems. Powerline UPS batteries are quality assured and can have a service life up to 8 years.
