

Panasonic eneloop 4 pack

Panasonic eneloop 4 pack

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyses reviews to verify trustworthiness.

"...pared to even the energiser AAAs I have, the eneloops scream quality in their weight and even the label and no plastic in their packaging, these..." [Read more](#)

"...If you want absolute quality get these. If you're pinching pennies get the IKEA batteries as rumour has it they are manufactured in the same place. ?..." [Read more](#)

"...The quality is exceptional but WHY WHY WHY have they gone so ridiculously expensive over the last couple of years. I mean trebled and more in price...." [Read more](#)

The battery product category includes electrochemical storage cells (batteries) in a wide variety of chemistries and sizes, along with holders, clips, contacts,chargers, and other battery-related items including automotive 12V ("cigarette lighter") power plugs and sockets. Alkaline, Lithium, lead acid, silver oxide, Ni-MH, Ni-Cad, Zinc-Air, and other chemistries are available, in sizes ranging from the common AA, AAA, D, 9V, 123A, and 2032 to the more obscure 1/3N, 1/6D, 1/2AA, F, and SC, with many others in between.

By using the Co-Browse feature, you are agreeing to allow a support representative from DigiKey to view your browser remotely. When the Co-Browse window opens, give the session ID that is located in the toolbar to the representative.
