Plugshare customer service

? About: PlugShare is an app that provides the most accurate EV and Tesla charging station map. It is the world's largest EV driver community where drivers contribute station reviews and photos to help the EV community make informed charging decisions. The app allows drivers to filter the PlugShare map by plug type, charging speed, and charging provider. It includes detailed station information for every major EV charging network in North America, Europe, and much of the rest of the world.

- Use PlugShare with Apple CarPlay to browse nearby charging locations, bookmarked locations, and trips you've planned from the built-in display of CarPlay compatible vehicles
- Compatible with any EV, including Tesla Model X, Tesla Model Y, and Tesla Model 3; the Ford Mustang Mach-E, Chevrolet Bolt, VW ID.4, Nissan LEAF, Audi e-tron, Hyundai Kona, Porsche Taycan, Kia e-Niro, Volvo XC40, Polestar, and all other electric vehicles on the market.
