

## Relion lifepo4 battery 17 miles

Relion lifepo4 battery 17 miles

Longer runtime = more recreation time with the RELiON RB100. This 12V 100Ah deep cycle lithium iron phosphate (LiFePO4) battery is the perfect replacement from a group 31 AGM, GEL or lead-acid Battery. Weighing in at only 30 lbs it's a lightweight alternative to lead-acid and one of our most popular lithium batteries.

The RB100 surpasses expectations by being versatile, compact and more powerful than its lead-acid counterparts. It's the perfect combination of size and capacity to fit many applications like trolling motors, solar energy storage or boating where you need lots of reliable power for a long time.

Whether you're powering your home or business, or mission-critical remote monitoring equipment, you want reliable power for your residential and commercial energy needs, both on and off the grid. RELiON Lithium Iron Phosphate (LiFePO4) batteries offer safe, clean and high power energy solutions for all types of renewable energy systems.
