On 25th October 2024, The Fiesta Royale Hotel came alive as TotalEnergies Ghana proudly hosted the 4th Edition of the Startupper of the Year Challenge awards gala, an event dedicated to recognizing the ingenuity and passion of young entrepreneurs.

In observance of Breast and Prostate Cancer Awareness Month, TotalEnergies Ghana recently hosted a special awareness event aimed at educating its employees and promoting early detection. As part of the program, an expert in the field of oncology was invited to shed light on the importance of early screening for both breast and prostate cancer, and to provide key information about preventative measures.

TotalEnergies Ghana is thrilled to announce that it has been awarded first place in the Business category of the Act for Impact Challenge. The award, presented at the Act for Impact Gala Night in La Baule, France, recognizes TotalEnergies Ghana's groundbreaking innovation in financial management with the launch of its OPEX Tracker Tool.

On Friday, September 20, 2024, TotalEnergies Marketing Ghana PLC organized a significant beach clean-up and awareness campaign at Wiaboman Beach in the Greater Accra Region. This initiative, part of the TotalEnergies Ghana Action! program, was held in celebration of World Cleanup Day, marking its first year as a UN-recognized International Day. The primary goal was to raise awareness about the importance of beach conservation, the dangers of plastic pollution, and the detrimental effects it has on marine life.

TotalEnergies Marketing Ghana PLC held its annual Dealer Convention on the theme "'Energizing the Future Through Sustainable Practices and Innovation". The two-day programme which took place from 5th to 6th July at Koforidua in the Eastern Region of Ghana brought together dealers in the TotalEnergies station network, along with Management and some staff of the Company.

TotalEnergies Marketing Ghana PLC (TEMG) actively participated in this year's Green Ghana Day alongside millions of Ghanaians. The initiative, launched by H.E Nana Akufo-Addo, the President of Ghana, aims to plant 10 million trees to combat deforestation and mitigate the effects of climate change in the country.

TotalEnergies Marketing Ghana PLC (TEMG PLC) is making a significant stride towards the UN's Sustainable Development Goals (SDGs) through its partnership with the Touching the Lives of Girls Foundation. This impactful initiative held in Kumasi on May 24th, 2024, addressed a critical gap in girls' education by empowering over 4,000 girls with knowledge on menstrual hygiene, financial literacy, and mental health.

TotalEnergies, partner of African football, is proud to contribute to the development of football in Africa. We
