Solar energy for businesses hanoi

PROINSO and H2T Hanoi company, supported to implementation by Kaizen Institute Global(R) Vietnam finalist for the Solar Power Project of the Year - Vietnam; in the Asian Power Awards 2023.

PROINSO is a global leader in the solar energy market with business units in distribution and integration, technology and project development services. We offer a full-service portfolio for solar projects of all scales including: procurement, engineering, project development, finance and construction. PROINSO's Qualified Installer Network is our go-to workforce for installation and O& M services; counting over 2,500 certified solar installers.

On December 23rd, 2021, at the Yamaha factory, Hanoi, the Discussion of the development of the rooftop solar (RTS) project for Noi Bai Industrial Zone (NBIZ) was successfully held. Attending the meeting were Mr. John Au – General Director of Noi Bai Industrial Park, Mr. Mark Shorrocks – CEO of Shire Oak International (SOI), Mr. Marcus Winsley - Charg? d"Affaires, British Embassy in Vietnam, and other representatives from 26 Japanese firms in the Industrial Zone.

Under the cooperation, SOI will be the investor and developer of the solar power project with an estimated capacity of 41,250.91 kWp on the roofs of factories under the management of Noi Bai Industrial Park.
