Here at B-X Squared Solar Systems we provide you with an optimized, clean, affordable and reliable solar systems to power your homes; our specialty ranges from and are not limited to solar panel, battery installations, inverter installations etc. for residential, industrial and commercial clients across country and Africa. With our expertise and commitment to sustainability, you can call us your trusted energy experts to help you harness clean power from the sun.

Here at B-X Squared Solar Systems we sell tier 1 solar products; you can get high quality off-grid, hybrid and grid-tied inverters, solar panels, Solar Charge controllers, cables, mounting rails, Solar batteries etc.

I must commend B X for their professionalism in installing a 40kw Grid tied Solar system these past months for my company., before that I was spending tonnes of money on my power plant and other sources of electricity. It's been 4 months already but I'm really saving a lot of money already. Thank you for the good work done.
