First time looking for a Garden Clearance Expert and not sure where to start? Tell us about your project and we'll send you a list of Garden Clearance Experts to review. There's no pressure to hire, so you can compare profiles, read previous reviews and ask for more information before you make your decision.

The Sunshine Solar Marine Flexi Panels are encapsulated in an ETFE coating, which has high light transmission, excellent flexibility, and are more heat-resistant than PET films used in other solar panels.

With a 220W Marine Flexi - Sunshine Solar Panel you could expect to generate around 73 amps per day when used in conjunction with an MPPT Solar Controller during the summer months.

Our aim is to become the UK's preferred online retailer of quality renewable energy products and accessories. Our ethos is one of outstanding customer service and competitive pricing.
