Solar power bank for sale in ghana

Enjoy every adventure and every trip with the powerful 15000mAh battery power bank with an integrated LED light. SolarBank-15 features a built-in high-efficiency solar panel, which lets you charge the power bank at faster speeds when outdoors. You can transform the power bank into a portable LED light, making SolarBank-15 one of the most versatile power banks. SolarBank-15 is designed to be your travel, camping, and overall indoor and outdoor charging partner

Introducing a power bank that's like the Bear Grylls of power banks! With a huge 10,000mAh charge capacity; it's ready for any adventure; The solar panels allow it to charge off sunlight; making it ideal for outdoor use; It features a built-in torch and compass; ensuring you're always prepared; Its hardy design can withstand a knock or two; and with 2 USB ports; you can charge multiple devices simultaneously; Perfect for camping; hiking; fishing; festivals; and more!

From time to time orders can experience delays in courier networks. Due to this, we would strongly advise against booking any third parties to build / install your item until you are in receipt of your goods. Robert Dyas is unable to compensate for any costs to third parties.

In the UK you have a legal right, under the Consumer Contracts Regulations June 2014, to cancel your order within fourteen (14) days following your receipt of the goods. Refunds for orders cancelled under the provisions of the Consumer Contracts Regulations will be processed in accordance with your legal rights.

Under the Consumer Contracts Regulations June 2014 you have a duty to take reasonable care of Products whilst they are in your possession. You will receive a full refund of the purchase price of the Products.

This is not intended to be a full statement of your rights under the Consumer Contracts Regulations. Full details of your rights are available from your Local Authority's Trading Standards Office.

Contact our Customer Services team who will be able to arrange a collection for your item with the supplier. Please ensure that you provide your order number when contacting customer services.
