Solar power bank in quot ghana quot

The POWERplus MantaSolar 10,000 mAh USB Powered Powerbank, is a solar power bank with a battery capacity of 10,000 mAh (effective output 6,000 mAh). It is a reliable powerbank, providing a reliable charging solution for your electronic devices. Its solar charging capability allows you to harness the power of the sun to recharge the power bank, making it perfect for outdoor adventures or emergencies.

Compact and lightweight, it is easy to use to carry in your bag or pocket, ensuring you stay connected wherever you go. Its USB compatibility means you can charge multiple devices simultaneously, making it a versatile accessory for everyday use.

We also offer Next Working Day Delivery on all orders received before 2pm. Once again, all orders placed after 2pm on a Friday and at the weekend will be processed on Monday and then sent out for Next Working Day Delivery.

REFUNDSAfter receiving your return and inspecting the condition of your item, we will process your return or exchange. Please allow at least seven (7) days from the receipt of your item to process your return or exchange. Refunds may take 1-2 billing cycles to appear on your credit card statement, depending on your credit card company. We will notify you by email when your return has been processed.**EXCEPTIONS**The following items cannot be returned or exchanged:

3. "Subscribe to Get Stackable Coupons!" - this offer is for new subscribers from this page only. After signing up, your exclusive stackable coupon will be sent to the provided email.
4. "30-Day Price Match Guarantee" - will only be offered to customers who made their purchase on the UK Official Website, and who discovered a lower price for an identical product on the UK Official Website, within 30 days, after purchase.
