Solar products fan ghana

Sun King designs, distributes, installs, and finances solar energy solutions for the 1.8 billion people without reliable access to the electricity. From cost-effective solar lanterns and home systems that provide entry-level access to electricity to powerful, multi-kilowatt-scale solar systems that offer power equity with the traditional electrical grid, Sun King's products meets diverse power and light needs across Africa and Asia.

Multi-kilowatt AC solar and energy storage for your modern home and business. Customised to your needs and fully integrated into your home, business, or public facility's electricity distribution system to power all your standard AC appliances day and night, during outages, and when you want to go off-grid.

Sun King has a longstanding presence in South Asia. Today, Sun King products are available through e-commerce channels, as well as Sun King's own retail channels and our network of trusted partners.

Sun King enjoys a robust presence in Oceania and South-East Asia. Today, you can find Sun King products via e-commerce platforms, through Sun King's dedicated retail channels, and via our network of esteemed partners.
