If you need help pricing up your next large project we would love to help! Or maybe you are looking for items not already on our site?, we can source most well-known electrical wholesale brands at competitive prices. Please complete the details below and we will respond ASAP.

The Rinnai Infinity 17e is a high-performance, 36kW external natural gas water heater designed for efficient, continuous hot water flow. Built to deliver instant, endless hot water, the Rinnai 17e is ideal for commercial spaces and large households, offering powerful performance with Low NOx emissions and 20% hydrogen readiness, making it future-proof and eco-friendly.

This externally mounted unit provides flexibility in installations where internal space is limited or complex flue runs are not feasible. Featuring full frost protection, the Rinnai 17e guarantees reliable operation even in extreme weather conditions. Perfect for high-demand environments, the Rinnai 17e delivers hot water at precise, user-safe temperatures without the need for storage tanks, ensuring energy efficiency and cost savings.

The Neptune Cylinder is an unvented hot water storage system which is an ideal complement to the Fusion & SlimJim Electric Boiler range from the EHC Electric Heating Company. Like all EHC products the Neptune Range is manufactured to the highest standard and offers a high performance to suit your needs.

The Neptune range provides fast flow rates, energy efficient insulation, quick recovery coils, and the use of an external expansion vessel to reduce maintenance. Additionally the 3 bar operation of the unit meets all modern criteria for fast flow applications. The Neptune Indirect cylinder is suitable for providing hot water with all types of boilers: gas, electric, oil, solid fuel and LPG.

Choosing the correct sort of Cylinder is a major decision. Once you decide that Direct Solar Unvented Cylinders are the appropriate solution then the EHC Neptune Solar 300L Direct Unvented Cylinder - NSDIR300L is assuredly worth considering.

If you change your mind about the product when you receive it you can notify us any time within 30 days and return it for a full refund at your own cost. Any refunds will be made within 30 days of receiving your returned item. You are expected to cover the cost to return the item and your initial delivery charge will not be refunded.
