

Somaliland solar energy for businesses

Somaliland solar energy for businesses

Golis Energy Co. is number one regional leader in clean renewable energy services. We make clean energy available to Towns, Villages, homeowners, businesses, schools, health center, Farmers, non-profits and government organizations at a lower cost than they pay for energy generated by burning fossil fuels like coal, oil and gas.

We've revolutionized the way energy is delivered by giving customers a cleaner, more affordable and appropriate alternative energy to their monthly utility bill and supported them with down payment systems. We call this Better Energy option for Somalis and the regional community in the horn of Africa.

Our construction Department has worked a complex projects and has technically experience to meet international standard and capable to perform challenges highly profile diverse projects

Golis Energy Co. has assembled one of the most experienced clean energy project design and installation teams in the region. The company serves thousands of communities in Somali regions as well as Djibouti and Zone five of Ethiopia with 5 operations centers.

Golis Energy Co.'s customers include thousands of homeowners, more than 130 schools and health centers including Berbera surgical hospital, government agencies such as the Immigration office and ministries. Our Unique, Full-Service Approach

Golis Energy Co. makes it easy for customers to switch to cleaner energy. We take a comprehensive look at our customers' energy usage and identify opportunities for improvements. We perform the entire process, from permitting through installation, and provide ongoing monitoring and repair services.

We also guarantee the electricity production of our solar energy systems to our customers. We are the only company that offers integrated sales, financing, design, installation, and monitoring and efficiency services without involving the services of multiple third-parties.
