These companies are key players in Uganda's manufacturing landscape, driving industrialization and providing employment to thousands of Ugandans. They also play a crucial role in the economic development of the country by contributing to the national output and exports.

Mukwano Industries Uganda Limited is proud to have attained local and regional recognition for the production of a wide range of high-quality and affordable Fast Moving Consumer Goods (FMCGs) ranging from laundry, toilet soaps, edible oils, and fats, powder detergents, domestic and industrial plastics, packaged drinking water and proteins for animal feeds with state of art technology cutting across all sectors. Its origins date back to 1910 when members of the family first set foot in East Africa and established a trading company.

Mukwano's core strengths manifest in the production of plastics, packaged drinking water, soaps, powder detergents, liquid detergents, edible oils, and baking fats and proteins for animal feeds.

Our agricultural operations cover over 30 districts with an emphasis on the production of oilseed crops mainly sunflower, soya, and maize grain in partnership with over 90,000 rural smallholder farmers. These have had a tremendous impact on improved community livelihoods.
