Every day our local assessors inspect hundreds of properties across the UK. We have been certifying all types of home and properties for over a decade. Our head office and call centre are based in the south east of England.

Booking your EPC couldn't be easier. Simply click on "Instant EPC Quote" above and fill in your details which should take less than a minute. If you want to speak to someone instead, you can our UK call centre on 0203 397 8220.

After booking your EPC, one of our local assessors will phone you within 1 working day of your order. They will need some details and payment in advance. Our prices start from a competitive rate of ?34.00 in selected areas.

Our prices are extremely competitive and are fully compliant with the Energy Performance Certificates regulations. Our 19,000+ Trustpilot reviews and UK call centre provide peace of mind for you. We are happy to help before, during and after your inspection to make sure getting an EPC remains a stress and hassle free experience.

Yes, you are allowed to place your property on the market or rent, but you must ensure that you have ordered and paid for an Energy Performance Certificate beforehand. We will supply you with your order confirmation immediately after booking it.

Yes, you can place an advertisement to rent or lease your property once you have arranged an order and pre-paid for an Energy Performance Certificate survey. Confirmation of your order will be forwarded to you immediately after the EPC has been booked.
