Sri lanka peak shaving

Named as the land of serendipity, Sri Lanka is renowned for its ancient temples and world-famous beaches. It also stands out as an island paradise overflowing with a captivating range of attractions that encompass its stunning landscapes, rich history, vibrant culture, and mouthwatering culinary treasures.

Sri Lanka's rich history comes to life as we explore its ancient sites, which serve as enduring testaments to bygone civilizations. So, get ready for an enchanting journey through this incredibly lush country! Indulge in delicious local street food and embark on picturesque train journeys through stunning landscapes as you explore the finest experiences Sri Lanka has to offer. We've even listed them all down below for you.

To kick off our list of awesome things to do in Sri Lanka, we're off to chase majestic Asian elephants! The country is the dwelling place of approximately 4,000 wild Asian elephants. Thus, observing them in their natural habitat is one of the most rewarding things to do in Sri Lanka's national parks.

During the dry season, which extends from July to September, the expansive reservoirs within Kaudulla and Minneriya National Parks attract herds of wild Asian elephants. Here, they engage in activities such as grazing on lush grass, taking refreshing baths, and even enjoying playful interactions.

TripZilla Tip: If you're visiting elephant sanctuaries in Sri Lanka, then make sure you're supporting and encouraging the safe and humane treatment of wildlife by visiting ones that are proven to be ethical elephant sanctuaries.

Exploring the top Sri Lanka tourist attractions is a must, and no trip is truly complete without a visit to Sigiriya. This iconic site boasts a massive rock fortress housing ancient palace ruins, serene water gardens, and mesmerising frescoes, all located in close proximity to the majestic Pidurangala Rock.

For those who enjoy early mornings, don't forget to lace up your hiking boots and ascend Pidurangala around 5am to catch the breathtaking sunrise. Trust us, the view will be so worth it! If early mornings aren't your thing, consider arriving before the ticket office closes at 6pm to witness the spectacular sunset.

Few dishes embody the essence of Sri Lanka as effectively as kottu roti. This beloved street food is a hearty combination of fresh vegetables, leftover roti (flatbread), eggs, and a selection of meat or seafood.

Building up an appetite? Don't worry as this delicious treat is available all across the island! If you are an adventurous foodie, kottu roti has got to be on your bucket list of things to try in Sri Lanka.

With close to 200 native and migratory bird species, Bundala National Park, situated in the southern region of the country and recognized as a Ramsar wetland, offers an exceptional bird-watching experience. The park also has a very diverse wildlife habitat which is home to Asian elephants, spotted deer, and wild boar.

These guided bird-watching tours typically commence at 6am and span three to four hours, allowing visitors to witness the vibrant awakening of the park, characterised by sightings of Brahminy kites, numerous storks, whistling wild duck families, Asian green bee-eaters, enchanting peacocks, and tranquil crocodiles. It's really a true testament to the rich wildlife Sri Lanka has to offer!

Looking for fun under the sun? Unawatuna Beach is among the best places to visit in Sri Lanka. Travellers can bask in the sun's warm embrace on its powdery shores and take refreshing dips in the crystal-clear waters of the Indian Ocean. Whether you're looking to perfect your tan, build sandcastles with your kids, or simply laze around with a good book, Unawatuna Beach has got you covered.
