Sunforce wind generator

Sunforce Products Inc. is a leading manufacturer and master distributor of renewable energy products. Our leading and innovative designs help provide simple Renewable Energy Solutions to consumers. Sunforce, a private company with over 50 employees, was established in 2005 and markets to retailers worldwide.

Products are returnable on Amazon.sg within the 15 day return window for any reason on Amazon.sg. When you return an item, you may see an option for a refund or replacement. Replacements are only available for items that are sold and fulfilled by Amazon SG - see About Replacements and Amazon.sg Refunds Policy.

Damaged/defective or any Amazon error returns will receive a full refund including a refund of original shipping charges. Unless otherwise stated, original shipping charges will not be refunded on returns due to customer choice/error.

Third-party sellers on Amazon.sg are expected to offer returns on an equivalent basis, but their policies may vary. To determine whether items sold and fulfilled by a third-party seller can be returned, check the returns policy set by the seller.

This item is non-returnable due to hygiene/health and personal care/wellness/consumable nature of the product. However, in the unlikely event of damaged, defective or different item delivered to you, we will provide a full refund or free replacement as applicable. We may contact you to ascertain the damage or defect in the product prior to issuing refund/replacement.

You may return a defective, faulty, damaged, or incorrect item for a full refund of the price you paid, including original delivery costs, Import Fees Deposit and a credit of S\$30 to cover reasonable substantiated delivery costs associated with returning the item(s) to us. If your reasonable return shipping costs exceed S\$30, Contact us before shipping the item and provide evidence to us to substantiate the reasonable costs incurred, for which you will be reimbursed.
